BUILDING PERMIT

Sections:

- 11.04.01 Requirements
- 11.04.02 Purpose of ordinance
- 11.04.03 Compliance
- 11.04.04 Repealing Clause

11.04.01 Requirements Whenever any person, partnership, association, company, or corporation hereinafter referred to as "person" shall engage or hire anyone to engage in a residential or commercial building project or add-on project, that person shall comply with the following requirements:

- (a) All persons, partnerships, associations, companies and corporations shall complete the Application for Commercial Building Permit or Application for Residential Building Permit, whichever is applicable, and submit that application for a building permit to the Planning and Zoning Commission for consideration. A copy of the Application for Commercial Building Permit and Application for Residential Building Permit are attached hereto and shall be kept on file with the City Clerk.
- (b) All persons, partnerships, associations, companies and corporations engaged in a commercial or residential building project or add-on project and who is seeking

approval of a building permit through the Planning and Zoning Commission must provide a copy of the building permit application, any accompanying documents, and a comprehensive set of plans from the project architect or project engineer to the Pottsville Planning and Zoning Commission, Pottsville Fire Chief or Fire Marshall, and any local code enforcement representative.

- (c) The comprehensive plans set forth in Section 1(b), above, must adequately and completely set out building dimensions; proposed plumbing and electrical systems; heat and air systems; proposed capacity gas lines; and, fire hydrants. This is not an exhaustive list. These specifications must be received by the Planning and Zoning Commission, Pottsville Fire Chief or Fire Marshall, and any local code enforcement representative, no later than two weeks before the Planning and Zoning Commission meetings. Bringing the above documentation to City Hall two weeks before the Planning and Zoning Commission meeting DOES NOT comply with this Ordinance. The person seeking approval of a building permit application must provide the above information to Planning and Zoning Commission, Pottsville Fire Chief or Fire Marshall, and any local code enforcement representative.
- (d) Further, all residential and commercial building permit applicants must review and all comprehensive plans set forth in 1(b), above, must comply with all applicable provisions of the Electrical Code, Plumbing Code, Mechanical Code, Arkansas Architectural Act, National Life Safety Code, and Arkansas Fire Prevention Code adopted by the City Council and on file at City Hall for review and copying. (Ord. No. 2019-04, Sec. 1.)

11.04.02 Purpose of ordinance The purpose of requiring this Ordinance is to allow the Planning and Zoning Commission, Pottsville Fire Chief or Fire Marshall, and any local code enforcement representative the opportunity to adequately review all plans and to intelligently discuss the proposed plan at the Planning and Zoning Commission meeting before a building permit is issued. (Ord. No. 2019-04, Sec. 2.)

11.04.03 Compliance If the Planning and Zoning Commission decides that the person submitting the building permit application and accompanying documentation has not adequately set out the plans of the proposed building project or add-on projection per this Ordinance, or is not in compliance with any other Ordinance relating to the residential or commercial building project in the city limits, the Planning and Zoning Commission may continue the meeting until the builder adequately provides a comprehensive set of plans two weeks prior to any future Planning and Zoning Commission meeting to those previously set out in this Ordinance. (Ord. No. 2019-4, Sec. 3)

- (A) It shall be unlawful to commence the construction, reconstruction, moving demolition or structural alteration of any building until the Building Inspector has

issued a building permit for such work. No building permit shall be issued unless the proposed construction or use is in full conformity with all the provisions of these regulations and other applicable building laws, ordinances, or regulations. All applications for residential and commercial building permits shall be accompanied by a plan in duplicate drawn to scale, the size of the building to be erected and its location on the lot, and such other information as may be necessary to provide for the administration of this Zoning Ordinance. All permit fees as required by the City's adopted Building Code shall be paid at the time of application.

- (B) If the work described in any building permit has not begun within ninety (90) days after the date of issuance thereof, the building permit shall expire. Upon expiration of the building permit, the Code Enforcement officer or authorized designee shall provide written notice thereof to the building permit applicant.
- (C) If the work described in the building permit has not been substantially completed within two (2) years of the date of issuance thereof, the building permit shall expire, unless the building project is a large-scale industrial project. Upon expiration of the building permit, the Code Enforcement officer or authorized designee shall provide written notice thereof to the building permit applicant, together with the notice that further work as described in the canceled permit shall not proceed unless a new building permit has been obtained. Building permits for large-scale industrial projects shall expire within 2 years of the date of issuance thereof, unless work has been substantially completed. Additionally, each recipient of a building permit may, prior to the expiration date thereof, request an extension of the building permit by making a request in writing to the Planning Commission. (Ord. No. ZO-2020-1, Sec. 1)

11.04.04 Repealing Clause

(A) Any and all prior resolutions, ordinances, or parts of the same, which are inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency. (Ord. No. ZO-2020-1, Sec. 2)

11.12.09	Qualification
11.12.10	Failure to comply
11.12.11	License to individual

11.12.01 Adoption of electrical code. There is hereby adopted for the city for the purpose of establishing rules and regulations for the construction, alteration, removal and maintenance of electric wiring and apparatus, including permits and penalties, that certain electric code known as the National Electrical Code of the National Fire Protection Association, of which not less than three (3) copies have been and now are filed in the office of the Recorder/Treasurer of the city and the same are hereby adopted and incorporated as fully as if set out at length herein and from the date this chapter takes effect, the provisions shall be controlling in the construction, alteration, maintenance or removal of all electric wiring and apparatus within the corporate limits of the city.

11.12.02 Appointment of the Electrical Inspector. The Electrical Inspector officer responsible for administering this code shall be appointed by the Mayor and approved by a majority of the City Council.

11.12.03 Duties. He shall have the duty and is hereby authorized, empowered, and directed to regulate and determine the placing of electric wires and other appliances for electric lights, heat or power in the City and to cause all such wires, appliances, or apparatus to be placed, constructed, and guarded as not to cause fires or accidents, endangering life or property, and to be constructed so as to keep to a minimum the loss or waste of electric current.

It shall be his duty to enforce all provisions of this chapter and he is hereby granted the authority to enter all buildings in the city in the performance of his duties at any reasonable hour.

It shall be his duty to inspect and/or test all electrical work and equipment or apparatus for compliance with the code whenever electric wiring, appliances or apparatus shall be defective or hazardous through improper manufacture of improper or insufficient insulation or for any other reason, he shall at once cause the removal of such defect or defects, at the expense of the owners of such wiring, appliance or apparatus.

11.12.04 Permits. No installation, alteration, or removal shall be made in or of the wiring of any building or structure for light, heat or power or to increase the load of energy carried by such wires or equipment, nor shall any building or structure be wired for electric lights, appliances, motors, apparatus, or heating devices nor alterations made thereto without a written permit therefor being first obtained from the city license issuing clerk by the person, firm, or corporation having direct charge of such installation, alteration or removal.

11.12.05 Inspection. Upon the completion of the wiring, installation or alteration of any building or structure for light, heat, power" appliance, or apparatus it shall be the duty of the person, firm or corporation having direct charge of such to notify the Electrical Inspector who shall, as early as possible, inspect such wiring, installation, appliance, and apparatus and if installed, altered and constructed in compliance with the permit and in accordance with the requirements of this chapter, he shall execute a certificate of satisfactory inspection, which shall contain the date of such inspection and the result of his examination, but no such certificate shall be issued unless such electric wiring, motors, heating devices, appliances, and apparatus be in strict accord with the rules and requirements and the spirit of this chapter, nor shall current be turned on to such installation, equipment, appliance, motors, heating devices, and apparatus until said certificate be issued. The amount of fee or charge to be made for such inspections and certificates is to be fixed and determined by the City Council.

11.12.06 Standards. All electrical construction, all materials, appliances, motors, heating devices, and apparatus used in connection with electrical work and the operation of all electrical apparatus within the city shall conform to the rules and requirements of the National Electrical Code current when work is performed or equipment and apparatus installed, however, the necessity, good service and said results often require larger sizes of wire, more branch circuits, and better types of equipment than the minimum which is specified in the National Electrical Code. Therefore, the Electrical Inspector supervising the enforcement of this code will have the responsibility and authority for making interpretations of the rules, for deciding upon the approval of equipment, materials, construction, and for granting the special permission contemplated in a number of the rules and he, where necessary, shall follow the code procedure for securing official interpretations of the code.

11.12.07 Licensing of electricians. Any person, firm or corporation desiring to engage in the business of electrical construction or of the installation of wiring and apparatus for electric lights, appliances, heating or power in the city shall, before doing so, obtain a license therefor, the fee for which shall be \$25.00 per year which shall be paid into the city treasury before such license shall become effective.

11.12.08 Bond required. Every person, firm or corporation doing electrical business in the city shall execute and deliver to the city a bond with a surety bonding company in the sum of One Thousand (\$1,000.00) Dollars to indemnify the city or any citizen for any damage caused by the failure of such person, firm, or corporation doing the electrical work to comply strictly with the provisions of this chapter.

11.12.09 Qualification. No license shall be issued until the party applying for same has given satisfactory evidence to the Electrical Inspector of his or their ability to do said electrical work in a safe and satisfactory manner. No permit for installation or alteration of any wiring, heating devices, motors, appliances and apparatus shall be issued until the license and bond herein required have been obtained.

11.12.10 Failure to comply. Any person, firm or corporation who shall fail to correct any defect or defects in his or her work or to meet the required standards after having been given notice of the unfit condition by the Electrical Inspector within a reasonable time, shall be refused any other permit until such defect or defects have been corrected and shall be subject to revocation of license for continual defective work or either upon conviction for violation of the provisions of this chapter. Upon failure to comply with this chapter, the Electrical Inspector shall have authority, after due notice, to cut out electric current in the locality concerned.

11.12.11 License to individual. Any individual desiring to perform his own electrical work personally shall not be required to make the required bond or to obtain the required license, but shall be required to obtain the regular permit for that particular job. Such work done by an individual must be done by him personally on his own particular job and not be a way or performing a service to the public generally.

CHAPTER 11.16

FIRE PREVENTION CODE

Sections:

- 11.16.01 Adoption of fire prevention code
- 11.16.02 Enforcement
- 11.16.03 Establishment of districts in which storage of flammable liquids in outside above ground tanks, bulk storage of liquefied petroleum gases and storage of explosives and blasting agents is to be restricted.
- 11.16.04 Modifications
- 11.16.05 Appeals
- 11.16.06 Penalties

11.16.01 Adoption of fire prevention code. There is hereby adopted by the city for the purpose of prescribing regulations governing conditions hazardous to life and property from fire or explosion, that certain code known as the Standard Fire Prevention Code of which code not less than three.(3) copies have been and now are filed in the office of the Recorder/Treasurer and the same are hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this chapter shall take effect, the provisions thereof shall be controlling within the corporate limits of the municipality.

11.16.02 Enforcement. The code hereby adopted shall be enforced by the chief of the fire department of the Municipality.

11.16.03 Establishment of districts in which storage of flammable liquids in outside above ground tanks, bulk storage of liquefied petroleum gases and storage of explosives and blasting agents is to be restricted. The limits referred to in section 73 of the code hereby adopted in which storage of flammable liquids in outside above ground tanks is prohibited, the limits referred to in section 103 of the code hereby adopted, in which bulk storage of liquefied petroleum gas is restricted, and the limits referred to in section 53 b of the

code hereby adopted, in which storage of explosives and blasting agents is prohibited, are hereby established as follows:

- A. The area designated on the "Official Zoning Map" of the Municipality as the Central Business District.
- B. Within 1500 feet of any dwelling structure in any built up area within the corporate limits of the municipality;

with the exception of outside above ground tanks for the storage of flammable liquids or for the bulk storage of liquefied petroleum gases having been located in such designated areas prior to the adopting date of this ordinance; provided, however, that the Fire Chief shall inspect such facilities and issue a letter of "Modification" as hereinafter set forth in Section 5 of this ordinance.

11.16.04 Modifications. The Chief of the Fire Department shall have power to modify any of the provisions of the code hereby adopted upon application, in writing by the owner or lessee, or his duly authorized agent, when there are practical difficulties in the way of carrying out the strict letter of the code, provided that the spirit of the code shall be observed, public safety secured, and substantial justice done. The particulars of such modification when granted or allowed and the decisions of the Chief of the Fire Department thereon shall be entered upon the records of the department and a signed copy shall be furnished the applicant.

11.16.05 Appeals. Whenever the chief of the fire department shall disapprove an application or refuse to grant a permit applied for, or when it is claimed that the provisions of the code do not apply or that the true intent and meaning of the code have been misconstrued or wrongly interpreted, the applicant may appeal from the decision of the chief of the fire department to the governing body of the municipality within thirty (30) days from the date of the decision appealed.

11.16.06 Penalties. Any person who shall violate any of the provisions of the code hereby adopted or fail to comply therewith, or who shall violate or fail to comply with any order made thereunder, or who shall build in violation of any detailed statement of specifications or plans submitted and approved thereunder, or any certificate or permit issued thereunder, and from which no appeal has been taken, or who shall fail to comply with such an order as affirmed or modified by the governing body of the municipality or by a court of competent jurisdiction, within the time fixed herein, shall severally for each and every such violation and noncompliance respectively, be guilty of a misdemeanor, punishable by a fine of not less than Twenty-five (\$25.00) Dollars nor more than Five Hundred (\$500.00) Dollars or by imprisonment for not less than three (3) days nor more than thirty (30) days or by both such fine and imprisonment. The imposition of one (1) penalty for any violation shall not excuse the violation or permit it to continue; and all such persons shall be required to correct or remedy such violations or defects

within a reasonable time; and when not otherwise specified, each ten (10) days that prohibited conditions are maintained shall constitute a separate offense.

The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

11.24.01 Unlawful. That it shall be and it is hereby declared to be unlawful for any person or persons, partnership, corporation or association, to own, keep or maintain any house, building and/or structure within the corporate limits of the City of Pottsville, Arkansas, which constitutes a nuisance and which is found and declared to be a nuisance by resolution of the City Council. (Ord. No. 84-1, Sec. 1)

11.24.02 Condemnation required. That any such house, building and/or structure which is found and declared to be a nuisance by resolution of the City Council will be condemned to insure the removal thereof as herein provided. (Ord. No. 84-1, Sec. 2)

11.24.03 Description of property, reason for condemnation. That the resolution of the City Council condemning any house, building and/ or structure which constitutes a nuisance will include in said resolution an adequate description of the house, building and/or structure, the name or names, if known, of the owner or owners thereof, and shall set forth the reason or reasons said house, building and/or structure is or has been condemned as a nuisance. (Ord. No. 84-1, Sec. 3)

11.24.04 Notice. After a house, building and/or structure has been found and declared to be a nuisance and condemned by resolution as herein provided, a true or certified copy of said resolution will be mailed to the owner or owners thereof, if the whereabouts of said owner or owners thereof be known or their last known address be known, and a copy thereof shall be posted in a conspicuous place on said house, building and/or structure. Provided, that if the owner or owners of said house, building and/or structure be unknown or if his or their whereabouts or last known address be unknown, the posting of the copy of said resolution as hereinabove provided will suffice as notice. (Ord. No. 84-1, Sec. 4)

11.24.05 Removal. If the house, building and/or structure constituting a nuisance has not been torn down and removed, or said nuisance otherwise abated, within thirty (30) days after posting the true copy of the resolution at a conspicuous place on said house, building and/or structure constituting the nuisance will be torn down and/or removed by the Mayor or his duly designated representative. (Ord. No. 84-1, Sec. 5)

- R. Such other information as may reasonably be required in order to carry out the purposes of this Section.

If, upon review of the application, the Building Code Enforcement Official, can reasonably determine that the building or structure meets requirements of a portable building as defined in this ordinance, then a building permit may be granted and no building moving fee will be charged. If this determination cannot be made by the Building code Enforcement Official, the application will be forwarded to the City Planning commission for action as set out in this ordinance for the moving of other buildings and structures. (Ord. No. 01-6, Sec. C.)

11.32.04 Permits to unlicensed applicants authorized The Building Code Enforcement Official may issue a Structure Moving Permit to persons, whether licensed or not, when the maximum width of such structure along the line of travel does not exceed fourteen (14) feet, and when they may be moved on rubber tired vehicles or trucks in such a manner as will not substantially interfere with traffic, damage any street structure, require removal of any overhead obstructions, or damage any street pavements or sidewalks. Before issuing such a permit the Building Code Enforcement Official shall designate the route to be followed and the date and time when such moving shall take place, and shall supervise the operation of moving thereof. (Ord. No. 01-6, Sec. D.)

11.32.05 Fees Before any application for a Structure Moving Permit is forwarded to the City Planning Commission, an application fee shall be paid by the applicant to the designated agent of the city of Pottsville to cover the cost of investigation and inspection. The application fee shall be Thirty-Five Dollars (\$35.00) for any building or structure located within the city of Pottsville.

The application fee shall be Thirty-Five Dollars (\$35.00) plus One Dollar (\$1.00) for each mile from Pottsville City Hall, or fraction thereof, when the building or structure to be moved is located beyond the city limits of the city of Pottsville. This application fee shall be in addition to all other fees required by the city code of the city of Pottsville.

Upon acceptance of any application for a Structure Moving Permit, the Planning Commission will cause to be inspected the building or structure proposed to be moved, the district into which the building is to be moved, and the premises onto which the building is to be moved. (Ord. No. 01-6, Sec. E.)

11.32.06 Compliance with building, zoning, other ordinances No Structure Moving Permit shall be issued unless the structure, if moved to a new location in the city, will comply with the zoning, building code and all other ordinances of the city. (Ord. No. 01-6, Sec. F.)

11.32.07 Moving over railway tracks No permit shall be issued for the moving of any structure across the tracks of any railway until the mover thereof shall have given the superintendent of such railway company not less than twenty-four (24) hours notice before such crossing of the tracks is to be made and satisfactory arrangements for such crossing have been made and the Building Code Enforcement Official advised in detail of such arrangements. (Ord. No. 01-6, Sec. G.)

11.32.08 Consent to move overhead obstructions (i.e. wires, cables) required No permit shall be issued for the moving of any structure which requires the removal of overhead obstructions (electric, telephone, cable TV wires or cables) until not less than twenty-four (24) hours notice has been given of the time and place such removal is desired and the consent of the responsible company has been secured for such removal and the Building Code Enforcement Official advised of such satisfactory arrangements. (Ord. No. 01-6, Sec. H.)

11.32.09 Authority to require planking of streets When in the judgment of the Building Code Enforcement Official it is necessary to protect streets or street improvements, the Building Code Enforcement Official may require the house mover to properly and adequately plank such streets and all rollers, trucks or other devices used in conveying and moving same shall run upon and rest upon such planks at all times. (Ord. No. 01-6, Sec. I.)

11.32.10 Notice of hearing The Planning Commission shall cause the applicant to post, fifteen (15) days prior to the date on which application for a permit is to be heard, a notice upon a sign upon the premise of which said structure is to be moved, which said notice shall contain the following:

1. The date on which the Planning Commission of Pottsville shall hold a public hearing on the application for a permit to move a structure.
2. Description of type of structure to be moved.
3. Present location of structure.
4. Proposed location of structure.

The sign shall be clearly visible, unobstructed to the passing general public and posted on or near the front property line. The sign shall be provided by the Planning Department concurrent with the application.

The applicant must file a legal notice in regard to the structure moving which must run in a local newspaper at least once no later than fifteen (15) days prior to the public hearing. This public notice must include the present location of the structure to be moved, the location (including legal description and address - if no address is available, a description clear to the average lay person will suffice), the type structure to be moved, the proposed use of the structure and the time, date and place of the public hearing.

The applicant must notify each property owner surrounding the proposed location of the building or structure by certified letter no later than fifteen (15) days prior to the public hearing of the purpose of the proposed Structure Moving Permit and the location, date and time of the public meeting to discuss the approval of the permit. Proof of receipt of the notification should be presented to the Planning Department prior to the public hearing. (Ord. No. 01-6, Sec. J.)

11.32.11 Public hearing At the time fixed in said notices to be posted as aforesaid, any person may appear before the Planning Commission of the city of Pottsville and make objections to the granting of said permit. After hearing the application and all objections, if any, to such application permit, the Planning commission of Pottsville shall forward to the City Council of the city of Pottsville the original application, and the Planning Commission's findings and recommending the approval or disapproval of the application. The hearing of said application may be continued from time to time at said Planning Commission's discretion. On receipt of said recommendations, the Cit Council of the city of Pottsville may, in its discretion, either grant or deny the application for a permit, and may attach any conditions to said permit deemed necessary by said council. (Ord. No. 01-6, Sec. K.)

11.32.12 Permit conditions No permit shall be issued to relocate any building or structure which is so constructed or in such condition as to be dangerous or which is unsanitary; or which if it be a dwelling for habitation, is unfit for human habitation; or which is so dilapidated, defective, unsightly or in such a condition of deterioration or disrepair that its relocation at the proposed site would cause appreciable harm to or be materially detrimental to the property or improvements in the district into which the structure is to be relocated; or, if the proposed use is prohibited by any provision of the city code or by any other law or ordinance; provided, however, that if the conditions of the building or structure in the judgment of the building inspector admits of practicable and effective repair, the permit may e issued on such terms and conditions as the building inspector may deem reasonable and proper including but not limited to the requirement of changes, alteration, additions, or repairs to be made to or upon the building or structure, to the end that the relocation thereof will not be materially detrimental or injurious to public safety or to the public welfare or to the property and improvements, or either, in the district into which it is to be moved.

The terms and conditions upon which each permit is granted shall be written upon the permit or appended in writing thereto. Said terms and conditions and the relocation bond shall provide for the removal of all concrete, lumber, and other debris and the filling of basements, cellars, or other excavations remaining from the removal of the building or structure from the premises from which it is moved when such premises are within the city of Pottsville.

After a Structure Moving Permit is secured, a building permit must be sought and granted prior to movement of the building. (Ord. No. 01-6, Sec. L.)

11.32.13 Removal cleanup When a building or structure is moved from any property located in the city of Pottsville to any other location, the site from which the building is moved shall be cleaned up within ninety(90) days from time of building removal. All concrete, lumber, and other debris remaining from the removal of the building shall be removed and all basement, cellars, and other excavations shall be filled and leveled. Such work shall be performed by the person moving such building or structure. Any person, firm or corporation that fails to meet time requirements of cleanup of property shall be guilty of a misdemeanor and on conviction shall be fined no less than Twenty-Five (\$25.00). Each day that violation of this regulation is in effect shall constitute a separate offense and be subject to additional fines of Twenty-Five Dollars (\$25.00) per day. (Ord. No. 01-6, Sec. M.)

11.32.14 Denial or permit – grounds If the unlawful, dangerous, or defective condition of the building or structure proposed to be relocated is such that remedy or correction cannot practicably and effectively be made, the relocation permit shall be denied. (Ord. No. 01-6, Sec. N.)

11.32.15 Bond damage to street or property In granting any permit, the Council will require applicant to give a bond to the city of Ottsville in an amount of Three Thousand Dollars (\$3,000) or greater to be fixed by said Council to ensure payment for any damage which applicant may cause to any public property, streets, sidewalks, trees or shrubs in the moving of any building. (Ord. No. 01-6, Sec. O.)

11.32.16 Occupancy Prior to any occupancy of a relocated building or structure, the Building Code Enforcement Official must perform a through inspection to ensure the building or structure conforms to all code requirements of the city of Pottsville and that all requirements of the Building Moving Permit have been complied with. If any conditions are noted that do not conform to code requirements, a memo to the owner shall be prepared by the Building Code Enforcement Official stating the requirements not met and actions required to the requirements. If all requirements are met, a memo of certification will be prepared by the Building code Enforcement Officer stating that all requirements have been met and forward a copy to the owner or responsible party. (Ord. No. 01-6, Sec. P.)

11.32.17 Exemptions All buildings meeting the criteria for a portable building are exempt from the requirements of this article. However, all such buildings shall be required to obtain a building permit and all other required permits and undergo and pass all inspections as required by ordinances or rules, regulations or codes. (Ord. No. 2001-6, Sec. Q.)
